FAQs:

May I bring in food, beverages or have refreshments catered in?

Definitely! And in the studio space you don't have to worry about spilling! If you will bring in refreshments, please don't forget the utensils, cups and paper goods you'll need. We have purple plastic tablecloths, plenty of mugs and some napkins. Our mini-refrigerator and small microwave is available to you if needed. Let us know ahead of time so that we can arrange the room to have an area for refreshments.

Will you have music available or should we bring in some?

We have a selection of relaxing background music in the studio. If you'd prefer something specific or more upbeat, bring in your CDs and we'll play them for you.

Who will be our host at the workshop?

Teresa Thomas-Carroll or Janet Roper typically host the Creativity & Tea sessions. Both are facilitators with Purple Crayon Factory. Purple Crayon Factory has several facilitators versed in creativity and art who may host on occasion. Facilitator bios can be viewed at <http://www.purplecrayonfactory.com/about.html>.

How do I reserve a time for our group's Creativity and Tea Party?

Contact workshops@purplecrayonfactory.com or 612-722-6931 and indicate your time preferences. We will reserve your time once we receive a 50% deposit. The remaining balance is due on or before the date of your party.

What if I have a really big group (more than 20)?

We love a challenge! Contact us and we'll figure out a way to accommodate your group.

Can I book my group for more or less than three hours?

We find that most participants find that three hours flies by and that two doesn't feel like enough. If you choose to have your workshop shorter than three hours, we can do that but the floor price remains the same.

If you'd like your group to be together more than three hours, we suggest having some other activities involved (e.g. bookclubs sharing about favorite books, creative groups sharing with each other what they've created, birthday celebrations having time for cake and gifts, get-togethers including time for mingling over refreshments).

Where is Purple Crayon Factory's creativity studio located?

Purple Crayon Factory is in Studio #205, 2242 University Avenue, St. Paul. We will send driving directions when we confirm booking for your group.
